ARRIVING IN LYON

ADMINISTRATIVE SITUATION?

You are a foreigner and wish to stay in France: in order to stay on French territory without risking expulsion, you should apply for a residency permit.

There are various possibilities (**asylum claim, applying for residency permit**) depending on your personal situation. In the box below you will find information on how to start an asylum claim. This is not the only available option. These procedures are long and complicated.

For legal help, go to a free legal aid advice service (see page 9)

Asylum

To start your asylum application in France, you must go to the «Structure de Premier Accueil des Demandeurs d'Asile» (SPADA). In Lyon, the SPADA is called 'la Maison du Réfugié'. It is managed by 'Forum Réfugiés'.

SPADA - FORUM RÉFUGIÉS

Monday, Tuesday, Thursday: 8:15am-4:30pm

Wednesday, Friday: 8:15am-12

326 rue Garibaldi, 69007 Lyon.

Garibaldi

04 72 77 68 02

You have to go at the opening or in the afternoon to avoid waiting too long.

In the case of heavy affluence, you may be given an appointment to return on another day.

If you are with your FAMILY (couples, spouses, children), your asylum claim is a family application: all members of your family living in France must come with you to the SPADA. Including those who already have a residence permit !

Forum Réfugiés will ask you **the dates of your departure from your country and arrival in France.** Please note that if you say you have been in France for more than 90 days, you will be placed under the «accelerated procedure», which is unfavourable to you.

HOUSING

If you don't have any accommodation, you can call this emergency number for free : 115

You don't need a French residency permit to qualify.

⚠ Careful, there aren't many spaces so accomodation isn't guaranteed and is often only available for a short stay.

The waiting time can be 30 min or more. You have to call several times until you get the recorded message, then stay on the line to get someone on the phone. There are not enough slots, it is rare to get a place every evening

You can also request blankets from 115, which will be brought to you.

More information page 33.

DOCUMENTS

⚠ As soon as you arrive, keep photographs and copies of all documents and letters received during your stay in France. Keep those copies in different places (at a friend's house or with an organisation) and online (in your emails...)

→ It is useful for your asylum application or if you are arrested to prove your presence on French territory, and so organisations can understand your situation.

GETTING AROUND LYON

You can find your itinerary on:

<https://www.tcl.fr/>

or on the app CITYMAPPER

TCL ticket: 2€, lasts 1 hour. You can buy tickets in the metro and tramway stations.

Free monthly TCL subscription

In Lyon, the TCL pass is free:

→ **For asylum seekers or people with a valid residence permits (or a certificate of application for a residence permit, called «récepissés»)**

→ **For people without a working permit (you will need to show a valid certificate of proof).**

→ **For people that receive specific financial allowances (RSA, AAH, ASI, ASPA)**

TCL also has a «solidarity discount» of 10€ per month for people with the CMU/ CSS/AME. To get this pass, you must register on: <https://www.tcl.fr/solidaire>

You will need a valid TCL pass. If you don't have one, go to a TCL office to create one (5€). You must remember to renew your subscription 15 days before the end of the previous one.

In case of inspection

If you travel without a valid ticket, you risk a fine. In case of inspection, you may be asked for identification documents.

If you are undocumented, it is better to always have a ticket or pass to avoid an identity check.

If you do not have any identity papers, the inspectors may ask the police to come and check your identity. In case of arrest, see your rights (page 30).

The inspectors cannot search your belongings without your consent, but may ask you to leave the premises if you refuse.

If you are fined

Beware to the deadlines:

→ **Immediate payment: 60€ by credit card or cash**

→ **Maximum after 7 days : 80€.**

→ **Between 7 days and 2 months: 110€.**

→ **If you are a minor, you have 7 days to pay your fine of 60€ (then 80€).**

TCL COLLECTION AGENCY

17 bis, boulevard Vivier Merle - 69003 Lyon

If you have no resources, you have three months to contest the fine.

Be careful, this does not always work.

If you have any difficulties with these procedures or if you cannot pay your fine, ask for help from a social worker (page 29).

Bicycle

Collective bike rental company: **Vélo'v**. Subscription costs between 15 and 31€ per year (payment by card).

UNACCOMPANIED MINORS

1. What does it mean to be an «unaccompanied minor»?

You are an **«unaccompanied minor»** or **«Mineurs Non Accompagnés (MNA)»** if:

→ You are less than 18 years old

→ You are without your parents or legal guardians (adults who have legal authority over you) in France.

As an unaccompanied minor, you are considered to be “in danger”. You will be protected and taken care of by the Child Welfare Services: Aide Sociale à l’Enfance (ASE).

2. Your rights in France

The French State is legally **responsible for unaccompanied minors** on its territory and has to **protect them**. The organisation in charge of housing and protecting these unaccompanied minors is the ASE, managed by the city of Lyon.

Before being taken care of, you will first need to pass an “underaged and unaccompanied” assessment with the ASE. This assessment is mandatory to be protected by the ASE who will interview you to assess if you qualify as underage and unaccompanied. **This should only take a few days, but it can take up to a few weeks.** Once you are officially recognized as underage and unaccompanied, you have the right to stay in France and do not need a residence permit until you are 18. You will be housed and supported to become self-sufficient when you turn 18. That will include socio-educational work, education or training, legal and administrative support...

3. Your arrival in Lyon

See [page 11](#) to get free legal help for unaccompanied minors. This will help you understand and prepare for the administrative steps that await you.

You will need to go to the «**Centre de Mise à l’Abri et d’évaluation**» (CMAE) so that they can recognise you as a minor. The CMAE will make an appointment for you at the Préfecture, and give you a new appointment at the CMAE for an «assessment» of whether you are underage.

FORUM RÉFUGIÉS, CMAE

🕒 Monday to Friday: 8am-7pm

☎ 04 37 40 08 55

📍 20 rue neyret 69001, Lyon

🚶 M A Hôtel de ville et S 06 Neyret

Or M C Croix Paquet et S 42 Neyret

4. The assessment interview

The day of your appointment at the «**Préfecture**», they will take your fingerprints, your photo and other personal information. This file helps them check whether you’ve already registered as an unaccompanied minor in another french region and if you have already asked for a visa or residence permit. Forum Réfugiés will then also perform the «**underage and unaccompanied**» assessment, to determine if you qualify as an unaccompanied minor. During the assessment phase, you should be given a spot in a shelter. You will most likely have a quick first interview, then will be placed in a shelter while you wait for a second interview with Forum Réfugiés.

The second interview with Forum Réfugiés will be longer, and you will have to discuss: your identity, your family, your life in your home country (living conditions, education), the reasons you left, your journey to France, your living conditions since you arrived here, and what you plan to do in France.

→ Do not forget to bring the documents that can prove you are underage. **You take a great risk by showing fake identity papers.**

→ You can ask organisations (see [page 11](#)) to help you retrieve documents from your home country.

→ You have the right to ask for an interpreter who speaks your native language.

In some cases, after this assessment, the ASE can ask for “complementary examinations”: an inspection of your identity papers (if you have them), and sometimes, a bone age assessment.

No medical exams or X-rays should be performed without your consent and without the judge giving the authorisation!

5. After the interview

After the interview, Forum Réfugié is in charge of filling a report to the MEOMIE (Child welfare services of Lyon). It is the MEOMIE that decides if you are considered an unaccompanied minor or not.

Go regularly to Forum Réfugiés (at «rue Neyret») to receive the final decision regarding your assessment. There are two possibilities:

→ You are officially recognized as an unaccompanied minor: you will be housed (in a shelter, or in an apartment, and in some rare cases in a foster home), assisted by a tutor, you will learn French, go to school or undergo professional training in a specific field of work.

→ Or, the MEOMIE does not recognise you as being underage and/or unaccompanied.

6. In case of rejection

If you are not recognized as being underage, the reasons behind the rejection should be explained in a document. It is crucial for you to keep that document for the next steps. You have the right to appeal the decision before a juvenile judge.

The judge will set up a meeting to hear your case and can also ask for complementary examinations like the inspection of your papers and medical exams, but only with your consent.

Once they have looked over your case, the judge can either recognise you as being an unaccompanied minor or confirm the MEOMIE’s rejection.

→ You are entitled to a lawyer to assist you with your appeal.

→ While waiting for the judge’s decision (about 3 months) you will not be housed or assisted. Since May 2021, the City of Lyon does not offer housing to young people that are still going through an appeal procedure («recours»).

→ To get shelter, the only solution is to ask for a spot for one night by calling the housing emergency number: 115. Show the letter of refusal of care that the MEOMIE gave you.

→ You can get help from associations: the AMIE (legal aid, [page 10](#)) or the Secours populaire (lunch and French classes) ([page 7](#)).

7. Applying for asylum as a minor

If you are unaccompanied and underage, have fled your country because you were scared for your life, have been persecuted, and you are afraid to go back, you can also apply for asylum protection in France in addition to the procedure for recognition of your minority status. Before, we advise you to first get in contact with an association that can help you ([page 11](#)).

→ You do not need to be recognised as a minor to apply for asylum!

Talk to your tutor or to your assigned MEOMIE officer so that they can help you to get an appointment at the «Préfecture». On the day of your appointment, you will also need to be accompanied by a legally responsible adult (an «Ad Hoc Administrator»).

The prefecture will take your fingerprints and information on your identity. Only once the administrator has been appointed (this may take some time), can you apply for asylum at Forum Réfugiés.

If a member of your family is currently in another European Union country, you can ask to be reunited with them.

Note that, as a minor, you will not be granted the allowance for asylum seekers (ADA). Only the ASE can house unaccompanied minors because you cannot be housed in the same centers as adults.

SOCIAL RIGHTS

WHO CAN HELP ME?

You can get support from a social worker whatever your status is. You do not need to be in a legal situation.

You can ask for support concerning: food, housing, healthcare, support for families and young children, providing an administrative address, etc.

To get an appointment (if you live in Lyon) contact the Maison de la Métropole et des Solidarités (MDMS) closest to where you live or where your administrative residence is registered, or go directly on site. You will be listened to, informed and then directed to a designated person to assist you in your procedures.

Associations can also help you with your administrative procedures. See the list of the structures [page 7](#).

WHAT ARE MY RIGHTS?

In France, people without a residence permit ("undocumented migrants") have the right to:

- **Have help for administrative procedures (page 30),**
- **healthcare (page 37)**
- **an emergency accommodation (page 33)**

People with residence permits («in a legal situation»), have rights that depend on their administrative status:

- **Asylum application:** access to your rights is subject to certain conditions and stops at the end of the asylum application procedure (for housing and allowance [see page 34](#), work, [page 39](#)).
- **Refugees:** The right to social benefits is the same as for French people ([page 36](#)).
- **Residence permit:** for people with a 'récépissé' (certificate of application for a residence permit) or a residence permit issued by the prefecture, your rights depend on the type of residence permit. For example, not everyone has the right to work ([page 39](#)).

IF YOU ARE ARRESTED

You can be arrested in the event of an identity checks stop - to check if you have the right to stay in France - and/or if authorities think you may have broken a law.

If you are undocumented and you are arrested, you may receive an **Obligation to Leave the French Territory (OQTF)** and could be assigned house-arrest or be detained in an Administrative Detention Centre (CRA).

Documents to have with you:

- **Documents about your immigration procedure (asylum application certificate/récépissé, application for a residence permit...)**
- **Proof of residence or accommodation**
- **Health insurance certificate (CSS, AME), documents related to your medical care, contact information for your doctor**
- **Documents about your family situation in France: school enrollment certificate for your child(ren), marriage certificate, etc.**
- **A telephone card and/or a mobile phone without a camera (these are the only ones allowed during detention in the CRA)**
- **The telephone number of a trusted person, a member of a non-profit and a lawyer to be notified immediately if you are arrested or detained.**

Keep these copies of your documents in several places (at a friend's house or a non-profit's office) and on the internet (emails, cloud...).

It is not always recommended to give your passport (even if it is out of date) because it can make it easier for you to be deported.

But, not showing your passport could be an argument to place you in an administrative detention centre (CRA).

IF YOU GO TO THE PAF (BORDER POLICE) OR THE POLICE STATION:

You can be detained for a maximum of 24 hours for an identity check and 48 hours maximum for police custody if they think you may have broken the law. **You have 4 essential rights.** They can help you to be released. Ask for:

- an interpreter: in the language you speak best, even if it is a rare language!
- a doctor
- a lawyer
- to phone a trusted person, a non-profit organisation. Give details of your arrest (where, when) so that they can help you.

Do not sign any documents if you do not understand what is written. Ask to speak to an interpreter!

IF YOU ARE RELEASED

If you don't have legal immigration status, you might leave the police station with an Obligation to leave the French territory (OQTF) and possibly an Prohibition on Returning to France (IRTF). This decision may be accompanied by a house arrest. **Be careful, you often only have 48 hours from the time you signed the document to make an appeal.** As soon as you are released, contact a lawyer or a non-profit organisation to help you (page 9).

If you were insulted and mistreated by the police, you can file a complaint. The police cannot refuse to file a complaint, even if you are undocumented. If they were violent, you can go to a doctor and get a certificate proving your injuries..

IF YOU ARE SENT TO AN ADMINISTRATIVE DETENTION CENTRE (CRA)

The CRA is a place of detention which aims to deport you either to your country of origin, or to the country responsible for your asylum application (Dublin procedure), or to the country which has granted you protection (Schengen remission). In Lyon, there is 2 CRA located close to the Lyon-Saint Exupéry Airport.

As soon as you arrive at the CRA, immediately ask to see the organisation that is working there. In Lyon: Forum Réfugiés. Your friends and family can call the organisation to tell them about your situation: ☎ 04 72 23 81 31

This organisation will help you with the necessary legal procedures and can keep you informed about the progress of your case. If Forum Réfugiés isn't replying (weekends, public holidays), contact an outside organisation (page 9).

In order to deport a person, the French State must have their valid passport or a consular pass.

If you did not give your passport and you refuse to see a representative from your country's consulate, it will be difficult to obtain a laissez-passer: deporting you will be complicated. **Be careful,** if you refuse to meet this representative, you can be sentenced to a prison sentence (from 1 to 4 months). **If you have given a false identity,** the police will not know which country you come from. This makes your deportation complicated. Be careful, if the police find out that you have given a false identity, you can be sentenced to a prison sentence (from 1 to 3 years).

HOW LONG IN THE CRA ?

The maximum period of detention in the CRA is 90 days. You can make two appeals to ask for your release:

- 1. Appeal against the decision to place you in detention.** The juge des libertés (judge of freedoms and detention, JLD) has 48 hours to decide whether or not to extend the detention period.
- 2. Appeal against the decision of the Obligation to leave the French territory (OQTF).** The administrative court is asked to cancel the decision to deport you (only if this decision is recent, less than 48 hours). Depending on the judge's decision, you may be released or your detention may be extended.

If you get sentenced to prison time, you risk being detained in the sentention centre again, once your sentence is over.

Your rights in detention center :

→ Make phone calls from the centre's phone booths or with your mobile phone without a camera. Mobile phones that can take pictures will be taken away from you. Your relatives can also call you at the phone booths.

→ Receive visits from your relatives. They must have legal immigration status and have to present an identity document. They can bring you clothes, individually wrapped non-perishable food (cakes, sodas), documents, money, a mobile phone without a camera, cigarettes.

Visitation rights: you can meet with organisation or support collectives

COLLECTIF LYON ANTICRA

Lyon Anticra is a collective supporting the prisoners of the Lyon Detention Center (CRA) and fighting for the abolition of Immigration Detention Centres, the end of detention and the end of deportations. Its members can visit you, and publish your testimony on their website. The collective also organises political actions to support you. If you are incarcerated, your relatives can write a message to them to get in touch with you.

GET AN ADDRESS: DOMICILIATION

Domiciliation provides a postal address to receive mail if you do not have a permanent place to live.

For asilyum seekers

When you start your asylum procedure in Lyon, the Forum Réfugiés (SPADA) should house you. Even if you are in the Dublin procedure and have been placed on the run by the prefecture, SPADA must maintain your domiciliation. Domiciliation will be either at:

→ the Maison du Réfugié (SPADA)

→ the hostel you live in

→ your home address, if you or one of your relatives (parents, brother or sister) is a tenant. A certificate of accommodation from a friend is not accepted.

For refugees

If you get international protection (refugee status, subsidiary protection or stateless status) you can have domiciliation and get support from the SPADA for 6 months. To find a new address, Forum Réfugiés can support you, otherwise, see the next point: "other situations".

For other situations

If you are undocumented, or in a specific situation, and you do not have an address you can ask for domiciliation:

→ At the «Maison de la Métropole et des Solidarités» in Lyon or the community social action centre (CCAS) of the town you've been living in or with whom you have a link (page 30).

→ In a day center that offers domiciliation (page 16).

It is hard to find a domiciliation. Go to several organisations and ask for advice.

ACCOMMODATION

→ **ACCOMMODATION is a temporary and unconditional right: you can ask for housing even if you are undocumented. Specific accommodation exists for asylum seekers (p34)**

→ **HOUSING is longer term and is only available for people with a legal status (who have obtained asylum or a resident permit). A financial contribution is required (p 36).**

For one night

For anyone without shelter: ☎ **115**
The waiting time can be 30 min or more. You have to call several times until you get the recorded message, then stay on the line to get someone on the phone. There are not enough slots, it is rare to get a place every evening

You can call 115, 24/7 but for a quicker response it's best to call at these times:

→ **10am for single women and couple**

→ **2:30pm for single men**

Explain on the phone if you are in a vulnerable situation (health issues, children, isolated woman)

More stable accommodation

You can ask to do a «MVS diagnosis» to get more stable accommodation with a social worker (page 29), or on the phone to the **115**, or by calling the **Maison de la Veille Sociale**. This process is called 'demande SIAO'.

→ **The waiting lists are very long.** Families and people with health issues are prioritised.

→ **You must renew your MVS application every 2 months** with the MVS itself or by calling the emergency shelter number (115), so that your application remains valid, and you must notify them of any changes in your situation (address, telephone, family...).

→ **It is also encouraged to continue** calling the emergency shelter number (115), to maximise your chances of getting stable accommodation.

MAISON DE LA VEILLE SOCIALE (MVS)

With appointment. **Only for people with no social worker and no ongoing application.** (We do not see asylum seekers, people in hostels or leaseholders.)

☎ Reception by phone: Monday- Friday: 9am-12 (except on Thursday) ☎ 04 78 95 00 01

✉ contact.mvs@mvsrhone.fr

If you have a recognised status, you can also apply for temporary housing or social housing (page 36).

You cannot get accommodation?

If you have applied to the MVS, if you have been calling the emergency shelter number (115) for a while but the waiting time is particularly long, you can go to the Prefecture (this process is called 'faire un recours') to get accommodation through the DAHO scheme. The DAHO applies if you can prove that you meet the following requirements:

→ **you are poorly sheltered (homeless, housed by a private individual or in a hotel in bad conditions)**

→ **your shelter is unstable, and you have applied for state accommodation or transition housing and you did not get an answer.**

You need help?

→ **You are over 30 years old**

→ **Your address is in the Metropolis of Lyon or the Rhône department (except Villeurbanne)**

Housing for unaccompanied minors

If you ask to be recognized as an unaccompanied minor and your age has not been evaluated yet, you have the right to get unconditional housing during your evaluation. The CMAE of «Forum Réfugiés» and the «Méomie» are in charge of your housing (page 5).

In Lyon, the situation is very difficult for people whose minority status has been denied by the MEOMIE, and that have opposed this decision in front of the Juvenile judge. Many young people sleep in squats or in the street.

If your minority status has been denied, showing your proof of denial gives you the right to housing for adults (page <?>). You can call the 115 and explain your situation.

MATERIAL RECEPTION CONDITION: CMA

The CMA (Conditions Matérielles d'Accueil) are social benefits that are only for asylum seekers. The OFII may offer them when you go through the «Central Asylum Claim Desk» or GUDA. These benefits can include:

→ **a monthly allowance (ADA)**
→ **the right to accommodation**

To benefit from them, you must sign the form given to you by the OFII at the «Central Asylum Claim Desk» or GUDA and agree to the «Conditions Matérielles d'Accueil» (CMA).

- Either you benefit from housing and financial allowance, or you can have the financial allowance (ADA) alone and declare that you have a stable housing situation.
- If you asked for accommodation and they refused it, your ADA allowance will be higher.

ADA: (Allowance for asylum seekers)

The ADA card is a payment card on which you can receive your monthly allowance. You cannot use it for buying online. You receive your ADA allowance at the beginning of each month while your asylum claim is being processed. The amount of your allowance (about €7 a day) depends on your personal situation (couple, family, alone...) and if you have accommodation or not.

Once you receive the card, you have to wait 30 to 45 days until it is activated.

To check how much money you have left on your ADA card,

you can call ☎ 05 32 09 10 10, or download the Upcohesia app  on your smartphone (via GooglePlay or AppStore). For more information about downloading and using the app: :

Of you did not receive ADA or you do not receive it anymore, you can contact the OFII.

Accommodation benefits for asylum seekers

As an asylum seeker - if you agreed to the material reception conditions offered by the OFII at the «Central Asylum Claim Desk» (GUDA) - you should have a spot in a housing centre for asylum seekers (CADA, CAO, HUDA,...)

You cannot choose the region nor the town in which you will be placed. You may be housed far from the center of Lyon, in another town or in the countryside. **If you refuse the OFII's offer of accommodation, you will lose your right to accommodation and to the ADA allowance.**

In France not all asylum seekers are housed due to a lack of slots. Families, people who are sick or who are identified as highly vulnerable, are given priority.

If you applied for asylum and you do not have accommodation:

→ Go to the SPADA (Forum Réfugiés) (page 3)

→ For emergency accommodation, call 115 (page 3)

→ You can rest during the day and ask for help in a day center (page 15)

Refusal/removal of CMA

Material reception conditions (CMA) may be **denied**:

→ If your asylum application is currently being reconsidered

→ If you did not apply for asylum within 90 days of your arrival in France without giving a valid reason.

→ In case of fraud, hiding information, giving false information

→ If you refuse an accommodation or if you don't move to the region where the OFII has sent you. They can also be **taken away**:

→ If you refuse or move out of an accommodation (for example, if you return to Paris after being sent to another city)

→ If you are expelled from the accommodation given by the OFII (for example, for violent behaviour or seriously breaking the rules),

→ If you don't respect the authorities' requirements (if you don't go to your prefecture appointments for people in the Dublin procedure, if you refuse to provide information, if you don't go to your interviews)

The OFII must give you a document explaining why your rights to CMA were refused or taken away. **Ask for this document if they do not give it to you. It can be very useful for appealing the decision.**

Asking for the CMA to be reinstated

A "recours" (appeal) is a way to contest an administrative decision before the court.

1. If you received a document from the OFII speaking of an intention to refuse or suspend your CMA, you have 15 days to send a letter with your identity and your reasons for contesting the decision. Send the letter to the OFII headquarters

7 rue Quivogne, 69 286 Lyon CEDEX 02.

If the OFII does not change its decision, that letter will be very useful for your lawyer during the administrative appeal.

2. If the decision to suspend your CMA is maintained, you can:

→ Send an informal appeal ("recours gracieux") against the suspension of your CMA to the OFII Director within two months
✉ contentieux.cma@ofii.fr

→ Appeal against the decision to suspend your CMA in front of an administrative court within two months.

If your CMA were suspended or denied over two months ago, you can always ask the OFII to reinstate your CMA by sending a registered letter («lettre recommandée») to the postal address above, or an email:
✉ contentieux.cma@ofii.fr

3. If you receive a negative answer or if the OFII has not given you an answer after 2 months, you have two months to contest the decision in front of an administrative court.

You can also go through this procedure if you have not received a letter indicating that your CMA is being suspended.

It can be difficult to write these documents alone and the time frame for appeals can vary depending on your situation. It is therefore strongly suggested to go to a legal assistance office to get help from a lawyer (page 9).

Special cases

To ask the reinstatement of your CMA:

→ For people "re-qualified", meaning those who went through a normal or a fast-tracked procedure after their Dublin transfer period expired: follow the same procedure as the one indicated above.

→ For people coming back to France after a Dublin transfer: you can immediately appeal the refusal of your CMA by the OFII in front of an administrative court.

You have to prove that you qualify as a vulnerable person, and explain why having no financial and accommodation benefits puts you in danger. For example: a medical certificate proving a serious illness.

If you are recognised as a refugee

When you have refugee status or subsidiary protection, you are not considered an asylum seeker anymore: you don't have access to the same accommodation spaces as before. You have the right to apply for social housing.

→ Ask for help from Forum Réfugiés (the welcome centre for asylum seekers, SPADA), your current accommodation centre, or from a social worker in your town (page 29). In Lyon you can benefit from the Accelair integration program.

Housing is only accessible if:

You have legal immigration status (a residence permit)
You have financial resources (including social allowances such as RSA)
If you meet these requirements, you may apply for social housing.

Temporary housing / transitional housing

Temporary housing shelters people for a limited time: solidarity tenancy, social residence, family fund...

A financial contribution is required, but you can receive financial help for housing called "APL".

→ To apply for this, you need to fill an MVS file with a social worker (page 29). You must update your application every three months.

→ You can also file a request directly on the Adoma and Aralis websites.

Social housing

Social housing is a long-term housing with cheap rent price.

People with a receipt of first application for a resident permit cannot have social housing. You need a resident permit, or a receipt of renewal of your resident permit.

To apply for social housing, you must fill out a form (in French) online: www.demande-logement-social.gouv.fr in a city hall with a social landlord
You can apply for you and your family members (spouse, partner and children, grand-parents, parent, grand-children, brother or sister) if they also are legal residents in France.

Be sure to update your application as soon as your situation changes (family unit, financial resources...) and to renew your application every year. You can ask for the help of a social worker (page 30).

«Action Logement»

If you work in a company with more than 10 employees, you can maybe benefit from the Action Housing plan. Ask your employer. If it is the case, you can fill out a form online on the website <https://www.actionlogement.fr>

You cannot get housing?

You can appeal to get housing through the DALO procedure (the enforceable right to housing). It allows you to appeal to the Préfecture (recours) when you are in a situation of poor housing (no housing at all, threat of eviction with no rehousing, overcrowded housing, unusually long wait for housing...).

If you have been granted asylum (refugee, subsidiary protection) and you do not have housing, you can start the DALO procedure 6 months after submitting an application for social housing.

The current waiting time for applications to be processed by the Préfecture is very long: it should usually only take about 3 months, but it currently takes 9 months.

You can get assistance from different organisations. ALPIL, AVDL or CLLAJ can help you, depending on your age and where you live, [see page 33](#).

FINANCIAL SUPPORT

An ALLOWANCE is money given by the State under certain conditions.

The amount changes depending on your administrative status, age, composition of your family, your housing ...

For asylum seekers, see the ADA ([page 34](#))

The RSA (Revenu de Solidarité Active)

You can apply for this through the «Caisse d'Allocations Familiales» (CAF), on their website www.caf.fr, if you meet these conditions:

→ **You are a foreign national who has been legally residing in France for over 5 years with a residence permit allowing you to work OR you are a refugee, stateless person, or benefit from subsidiary protection.**

→ **You are over 25 years old OR you are under 25 years old and have at least one dependent child, born or unborn OR you are under 25 years old and have worked for two of the last three years.**

→ **You have zero or low income**

→ **You have permanent and stable residence in France.**

If you are an asylum seeker, you can apply for the RSA, but it will be given to you only if you are granted asylum. When you get asylum, contact the CAF with your RSA application number. You will receive the income for every month since the day of your application.

Other benefits

Other benefits are available according to your family, professional or accommodation status. A social worker can help you ([page 30](#)).

ACCESS TO HEALTHCARE

Healthcare

If you don't have healthcare coverage such as the AME (Aide Médicale d'Etat – State Medical Aid) or the CSS (Complémentaire Santé Solidaire):

→ **Go to the Free Health Access Points (Permanences d'Accès aux Soins de Santé 'PASS' in the listed hospitals ([page 17](#))). There you will be taken care of by doctors and social workers and you can be provided with free medication.**

→ Some organisations also offer access to healthcare ([page 17](#))
In case of a life-threatening emergency,

CALL THE 15 (SAMU)

or go to the closest emergency services ('Urgences').

Treatment will not be free and you will receive a bill. If your prognosis is life-threatening, exceptional reimbursements of the treatment can be arranged.

Universal Health Protection (PUMA -CSS, ex.CMU)

For people with a residence permit

If you have been in France for at least 3 months and have a right to be on the French territory (asylum application or certificate of asylum application, residence permit), you can benefit from the Protection Universelle Maladie (PUMa) and the Complémentaire Santé Solidaire (CSS). This coverage will pay for all of your medical and hospital expenses for you, your spouse and your children. You may have to pay some treatment up front, but you will be reimbursed afterwards.

State Medical Aid (AME)

For undocumented people

The AME covers 100% of any healthcare and hospitalisation within the limits of the social security rates. You do not need to pay in advance, except for certain medication.

REQUIREMENTS TO GET THE AME

→ **You don't have a residence permit or a certificate of asylum application or any document saying that you are applying for a residency permit**

→ **You have lived in France for more than three consecutive months**

→ **You have a limited income that doesn't exceed a certain amount**

FIRST AME APPLICATION

→ Download the form on ameli.fr or pick it up directly at a CPAM reception.

→ **Drop off your AME form at a CPAM reception point.**

→ **If you are an unaccompanied minor or if you cannot go to the reception point to submit your application (due to reduced mobility), you can send it by mail with proof of your situation.**

To go to a CPAM reception point you must make an appointment:

→ by phone at 36 46

→ at the CPAM Rhône reception points

→ **exceptionally, you can also submit your AME request to a health center or to a PASS at the hospital where you are being cared for.**

TO RENEW YOUR AME CARD

You can drop off your renewal documents at the reception desk or send them by mail::

**CAISSE PRIMAIRE D'ASSURANCE
MALADIE DU RHÔNE
69907 Lyon cedex 20**

TO APPLY FOR THE PUMA/CSS AND THE AME

→ **You can ask for help at the CPAM reception point (CPAM Rhône), by booking an appointment from your ameli.fr account or by calling 3646**

→ **At the hospital's social service department or at the Community Social Action Center (CCAS) of your town**

→ **To an organisation ([page 21](#)) or a day center ([page 15](#)).**

The CPAM has two months to inform you of its decision. If your application is accepted, you will receive your CSS or AME card. It lasts one year from the date of application. Be careful, renewal is not automatic. You have to fill out and submit a renewal form two months before the expiry date printed on the card.

OPEN A BANK ACCOUNT

You can open a «livret A» account at the Postal Bank (La Banque Postale). It is an account to deposit and withdraw cash money, and make bank transfers. It gives you a bank identity statement (RIB): it can be asked for administrative procedures. Everyone has the right to open a bank account. If you are an asylum seeker, the SPADA or the organisation managing your accommodation centre can help you organize a meeting with the bank. If you have any questions, you can go to an organisation for help ([page 7](#)).

TO OPEN A LIVRET A, YOU NEED:

- To be over 18 years old
- An identity document (asylum seeker certificate (récépissé), passport...)
- An administrative residence certificate
- A 2€ minimum to be deposited in the account on the day you open it
- You can only withdraw cash with la Banque Postale cash withdrawal machines.

ACCESS TO WORK

In order to legally work in France, you must have a residence permit OR a certificate of asylum application with a work authorisation.

For asylum seekers

If you have applied for asylum over 6 months ago and the OFPRA still did not give its decision, you can request a work permit. It is a complicated procedure, it does not always work even with the support of your employer. Your employer must request a work permit on this website and he must supply all the documents required on this website: <https://administration-etrangers-en-france.interieur.gouv.fr/immiprousager>
In case of refusal: go to a legal aid organisation ([page 9](#)).

THE WORK PERMIT IS VALID ONLY:

- For the job you requested the permit for. If you want to change jobs, you need a new work permit.
- As long as your asylum application certificate is valid. You must renew your work permit every time you renew your asylum application certificate, until you get the OFPRA's decision.
- At the end of your work contract or if you are fired, you can register at Pôle Emploi and benefit from professional training.

For refugees

When you get refugee status or receive subsidiary protection, you can legally work in France without conditions. In Lyon you can benefit from the Accelair integration program.

For young people

- **The «missions locales»:** personalised guidance, professional and social support for people between 16 and 25 years old, recognised as minors or with a residence permit if over 18.
- Civic Service: up to 26 years old, if you have the right to work, you can do a civic service (from 6 months to a year long), paid between 580 and 960€ per month.

If you don't have a work permit:

If you do not have papers or if you have a residence permit without a work permit, employers do not have the right to hire you. However, if you work for an employer:

- you cannot be sued for this reason: it is the employers who can be sued, not the workers
- your employer must respect the provisions of the labour code! You have the same rights as any employee legally employed (L8252-2 of the Labour Code): right to an employment contract (CDD, CDI, Interim, CESU...), right to the payment of all your hours worked, right to pay slips, right to health and safety, right to vacations, right to end of contract indemnities, etc.

You can protect these rights through collective action (right to strike) and legal action (at the Conseil des Prud'hommes).

If you have a residence permit and you receive government assistance, working without a work permit may result in the cancellation or even a request for repayment of the assistance received.

It is strongly advised against using a false identity card or someone else's identity card, as both offences are punishable by criminal penalties.

To find out more, contact a syndicate in your company or city (e.g. CNT-SO, SUD, CNT, CGT, CFTD, FO...).

Social rights

As a worker, even if you are undocumented, your employer must declare you to the URSSAF and pay contributions to social organizations. But your status does not allow you to receive unemployment benefits. It also deprives you of the benefit of daily social security allowances, except in one case: if you are the victim of an accident at work.

Regularisation through work

The «Retailleau circulaire» of 2025 provides for the possibility, for the Prefectures, to grant exceptional regularizations through work. Several conditions must be met in terms of time of presence in France and duration of work:

- More than three years of presence in France / 24 pay slips (or CESU)
- At least 12 pay slips (consecutive or not) dating from the last 24 months in a profession «in high demand»
- Not having received an OQTF that was not enforced during their entire stay in France
- Finding an employer who will formulate a «request for authorization to hire a foreign employee».

Darmanin law for professions in high demand (2024)

- Official list of professions in high demand by region (2025): <https://www.legifrance.gouv.fr/jorf/id/JORFTEXT000051643488>

If you think you are eligible, go to a legal aid clinic ([page 9](#)) or to a labor union ([page 22](#)).

SCHOOL / CHILDCARE

From primary school to sixth form / High school

In France, access to school is a right for children under the age of 16, whatever their parents' status and type of housing. School is free and your children cannot be refused access.

- From 3 to 10 years of age, children must be registered with the town hall where they live.
- From age 11 to 16, they must be registered with the local secondary school in the area where they are staying or living.
- Over the age of 16, they should contact the CIO in the area where they are staying or living.
- Between the ages of 16 and 18, training is a right and an obligation for young people who have dropped out of school or are neither in employment, education or training.

The only documents required are: a proof of identity / a proof of the child's guardianship / proof of address. In the absence of one of these documents, a declaration on honour is sufficient.

In Lyon, the organisation C.L.A.S.S.E.S assists families with their administrative procedures for school

Study French (at university, to get a certificate)

There are programs to learn French at university: See the website of the "Réseau MENs"

📧 <https://reseau-mens.org/pour-etudiants>

Some organisations also provide French lessons, see [page 23](#).

Join the University

The registration procedures depend on the university, the type of training, the level (Bachelor's or Master's degree) and your status (asylum seeker, refugee, undocumented...). The school year is generally from September to June.

Whatever your situation is (without documents, asylum seeker, refugee or beneficiary of subsidiary protection), you have the right to study / resume your studies in France.

To apply for a registration you must:

→ Have the baccalauréat or a university degree

→ Have a sufficient level of French (B2 for bachelor degrees and C1 for masters), unless you come from a French-speaking country

Registration for the school year 2024-2025 at the universities Lyon 1, 2 and 3

→ **Licence 1 (Bachelor Year 1) General:** all foreign students, except those with international protection, have to fill a «DAP». If you have international protection, go to the DAP desk of your university to know how to apply.

→ **BTS, DUT:** applications via Parcoursup for everyone

→ **Licence 2 and 3** (Bachelor year 2 and 3) / **Master 2:** apply on the «e-candidat» website. If you have international protection, the procedure is sometimes different.

→ **Master 1:** apply on the web-site monmaster.gouv.fr

Be sure to apply early for your L2/L3/ M1/M2 application, some applications must be made in March/April.

Registration fees for foreign students can be expensive: up to 2770€ for a Licence (Bachelor) and 3770€ for a Masters. You can contact the university or an association that can help you apply for a waiver of your tuition fees.

→ Students with international protection do not have to pay these fees (only about 170€ for a Licence and 243€ for Masters). They can apply for a grant and student housing with the CROUS accommodations.

→ Other benefits exist if you are above 28 years old

If you are in difficulty, some associations can help you:
