

YOUR ADMINISTRATIVE SITUATION

You are a foreigner and wish to stay in France: in order to stay on French territory without risking expulsion, you should apply for a residency permit. There are various possibilities (**asylum claim, applying for residency permit**) depending on your personal situation. In the box below you will find information on how to start an asylum claim. This is not the only available option. These procedures are long and complicated.

For legal help, go to a free legal aid advice service (see the Watzat Guide)

For more information, read the procedure section of the Watzat guide

ASYLUM APPLICATION

To start your asylum application in France, you must go to the «Structure de Premier Accueil des Demandeurs d'Asile» (SPADA). In Lyon, the SPADA is called 'la Maison du Réfugié'. It is managed by 'Forum Réfugiés'.

FORUM RÉFUGIÉS

📍 326 rue Garibaldi, 69007 Lyon.

📍 **M D** Garibaldi

☎ 04 72 77 68 02

🕒 Monday, Tuesday 8:30am-4:30pm

Wednesday, Thursday, Friday 8:30am-12:30pm

You have to go at the opening or in the afternoon to avoid waiting too long.

In the case of heavy affluence, you may be given an appointment to return on another day.

If you are with your FAMILY (couples, spouses, children), your asylum claim is a family application: all members of your family living in France must come with you to the SPADA. Including those who already have a residence permit !

If you have any questions, go to a legal aid clinic before going to the SPADA (page 9).

Forum Réfugiés will ask you **the dates of your departure from your country and arrival in France.** Please note that if you say you have been in France for more than 90 days, you will be placed under the «accelerated procedure», which is unfavourable to you.

Unaccompanied Minors (under 18)

Go to Forum Réfugiés, rue Neyret, to try to have your minority and unaccompanied status recognized. If you get legally recognized as an unaccompanied minor, you will be taken care of by «l'Aide Sociale à l'Enfance» (ASE - Child Welfare Office) until you are 18 years old (accommodation, school, healthcare)

HOUSING

Emergency accommodation for all

If you don't have any accommodation, you can call this emergency number for free : 115

You don't need a French residency permit to qualify.

⚠ **Careful, there aren't many spaces so accommodation isn't guaranteed and is often only available for a short stay.**

The waiting time can be 30 min or more. You have to call several times until you get the recorded message, then stay on the line to get someone on the phone. There are not enough slots, it is rare to get a place every evening

You can also request blankets from 115, which will be brought to you.

YOUR DOCUMENTS

⚠ **As soon as you arrive, keep photographs and copies of all documents and letters received during your stay in France.** Keep those copies in different places (at a friend's house or with an organisation) and online (in your emails...)

• It is useful for your asylum application or if you are arrested to prove your presence on French territory, and so organisations can understand your situation.
